See and Know is an inspiring way to teach babies and toddlers basic Christian truths. Using simple nursery-rhyme style songs with sensory aids, **See and Know** bridges the gap from birth to pre-school years, and gently points the way to Father God.

To encourage a warm and friendly atmosphere we ask parents to mingle and chat to everyone and especially to welcome new parents to the group.

Please help with tidying up crafts snacks and the toys at the end.

We have an active children's programme in church where all ages are welcome:

The Kings Arms: Sundays (except 1st Sunday in month)
11.30am with children's groups
and under 3's area in church.

Family service: 1st Sunday of the month
10.30am over 3's children's group.
Service followed by coffee and shared lunch in the barn.

Messy Church: 1st Saturday of the month 3-5pm
An hour of crafts and games for all the family,
followed by a short service, and then refreshments in the barn.
